Opening Art Reception & Silent Auction

United Way of Door County is pleased to announce that, in celebration of their 50 years of service to the people of Door County, an Opening Art Reception will be held to raise funds for their Endowment Fund.

On Friday, February 25 from 5-7 pm, at Door County Maritime Museum in Sturgeon Bay, view more than 50 original fused glass artworks, and take the opportunity to bid on your favorites. Complimentary hors d'oeuvres, beverages & music are available at this annual event.

The Endowment Fund was established in 1997 to assist in the future financial stability for the United Way organization and the Door County community. Each year, donations are made specifically to this fund, often in the form of memorials or in honor of someone. At the end of each fiscal year, 5 percent of the fund can be used to finance community projects and has contributed more than \$12,000.00 since 2005.

If you would like to learn more about the Endowment Fund, please contact United Way of Door County at (920) 746-9645 or info@unitedwaydc.com.
