

A talented and engaged Board of Directors doesn't happen by accident. It requires strategic thinking and careful execution by both the Board and the professional staff.

The Door County Community Foundation, the Raibrook Foundation, and United Way of Door County are pleased to present the latest in their Non-Profit Education Series - Board Development.

Prince of Peace Lutheran Church  
Oasis Center  
1756 Michigan Street in Sturgeon Bay

You'll learn about what makes up a good Board of Directors and why people choose to serve. You'll hear ideas on how to use committee work to engage your Directors. You'll also learn about the fundamentals of Board work, from recruitment, to responsibilities, to assuming leadership positions. This will be an interactive session so be prepared to ask questions and share ideas that have worked for you.

This workshop will be taught by Sandy Duckett, the former Vice President for College Advancement at the NWTC Education Foundation. Sandy was also on the adjunct faculty of Silver Lake College and served as Director of Economic Development for the City of Green Bay.

There is no cost to attend this workshop, but we do ask that you register in advance by calling the Community Foundation at (920) 746-1786 or via email [christine@doorcountycommunityfoundation.org](mailto:christine@doorcountycommunityfoundation.org).
