Tuesdays at TAP, February 14th to benefit United Way of Door County

Third Avenue Playhouse is launching a new series called *Tuesdays at TAP*. Every Tuesday there will be a concert at TAP to benefit a local nonprofit. This series starts on February 14th and the featured nonprofit is United Way of Door County.

The concert starts at 7:30pm. The artist is Hans Christian. Hans Christian's unmistakable cello playing moves the listener with a haunting beauty, and his use of various ethnic string instruments expresses a universal musical language that transcends boundaries, cultures, and generations. This concert is a kick-off to appearances around the world.

Tickets are available at TAP - \$15 for adults and \$10 for students. A portion of the proceeds from the evening will go to United Way of Door County. United Way's mission is to empower people to build better lives. They do this in the areas of Basic Needs, Community Wellness, Health Care, and AODA.
